

Can you hear that? That is the sound of the great Northwoods calling you away! Away from the stress of everyday life, away from the constant demands of work or school, and away to a place that brings everything back into focus.

### FELLOWSHIP AND TIME WITH GOD

Crescent Lake Bible Camp would like to invite you to grab those that are important to you and venture our way. In the quiet forests and lazy shores of CLBC, we can give you space to relax, unwind, try new experiences, reconnect with each other and deepen your faith.

Our facility is open year-round for day or overnight use with access to a wide variety of activities designed for all ages. Our flexibility allows us to provide everything from meeting space and programming to simply preparing the meals while you spend the day in God's Word or enjoying His creation.

## TIME FOR YOU AND YOUR SPOUSE

Join us for a time of growth, both as individuals and as couples, as we celebrate that special bond between a husband and a wife! God created the relationship of marriage with the first humans and we believe more now than ever that Christians should be focused on what a true marriage - one with Christ at the center - should look like.

## FELLOWSHIP AND ENCOURAGEMENT

Your weekend will be filled with opportunities to learn, play and spend time getting to reconnect with your loved one. Our chapel sessions are designed to help you strengthen your bond, while our recreation time is packed full of laughter and chances to make new friends. Of course, what Couples Retreat wouldn't be complete without the amazing food! This weekend offers memories that will last a lifetime!
