## WHAT TO EXPECT

We are excited to invite you to our first Father/Son Retreat! This is your chance to set aside a full weekend to play, worship and connect with the important young men in your life.

Life gets hectic and days get full. Our relationships with each other - and with Christ - can sometimes take second place in the hustle and the bustle. This weekend provides opportunities to try new things, make new memories and fellowship with other fathers and sons.

Activities are weather-dependent, but could include archery, riflery, primitive hunting (using atlatls, tomahawks and slingshots), blacksmithing, paintball, climbing tower, high ropes course, survival challenges, and more!

The father-figure is a vital role in the physical, mental and spiritual development of a young man. We want to take the time to help celebrate and strengthen that bond.

**We look forward to serving you!**

## WHAT TO BRING

Cabins will be assigned based on the number of friends and family you bring! The typical lodge-style cabin has multiple rooms with two bunks in each room. Each cabin has a lounge, small kitchen perfect for snacks, and bathroom/showers. You'll need to bring bedding, towels and toiletries, as well as gear for playing outdoors!
