## WHAT TO EXPECT

We are excited to invite you to our Winter Family Camp! This is your chance to set aside a full weekend to play, worship and connect with the important people in your life.

Life gets hectic and days get full. Our relationships with each other - and with Christ - can sometimes take second place in the hustle and the bustle. This weekend provides opportunities to try new things, make new memories and fellowship with other families.

The family plays a vital role in the physical, mental and spiritual development of our children. We want to take the time to help celebrate and strengthen that bond.

Let this be a weekend where you can set aside the daily routines and just focus on Jesus and each other. Grab the parents, grandparents, siblings and young ones and come on out to Crescent Lake Bible Camp for a winter adventure!

**We look forward to serving you!**

## WHAT TO BRING

Cabins will be assigned based on the number of friends and family you bring! The typical lodge-style cabin has multiple rooms with two bunks in each room. Each cabin has a lounge, small kitchen perfect for snacks, and bathroom/showers. You'll need to bring bedding, towels and toiletries, as well as gear for playing outdoors!
