

Whether spending summers at camp as a camper or venturing back as a counselor for a season or two, we know that when “real life” happens, camp becomes a place full of memories and stories.

Well, the time has come! We want to invite all of you who are “too old” for camp to enjoy a weekend with new and familiar faces! Haven’t been to camp before? This is a great weekend to start!

This is also a great opportunity to bring your new family and friends to visit Crescent Lake Bible Camp and explore all of the new adventures and activities!

## HOME AWAY FROM HOME

For many of you, your summer camp was truly “home away from home”. It was the place you looked forward to each year, knowing that your friends would be there and hoping to see familiar counselors, band members and speakers as well. It was a place that held a special spot in your heart - and hopefully still does!

## AND THEN YOU GREW UP...

This weekend is all about new and old friends mixed with new activities and new insights from our full-time staff on living out your faith! It’s about forgetting to “adult” for a few days, eating too much, sleeping too little, and laughing too hard. It’s about trying out the Tubing Run, Cross-Country Skiing, High Ropes Course, Climbing Tower, or Paintball range and meeting the others who love adventure as much as you do. **Don’t have a connection to CLBC? Want one? Join us!**
