Seasonal Staff Personnel Policy

The Personnel Policy is intended to help employees understand the working conditions and to encourage them to improve their competence in the performance of their responsibilities. This policy should also serve as a device for helping all employees better understand not only their privileges, but also their responsibilities. As employees at Crescent Lake Bible Camp you are expected to model positive Christian behavior. Our rules are simple and few and we prefer to trust the staff we employ.

Seasonal Staff Employment Procedure and Conditions

Recruiting, hiring, and training for all job classifications are done without regard to race, creed, color, religion, national origin, or sex.

Camp selects personnel who meet high standards of character, understanding, patience, spiritual depth, and an interest in youth. We are looking for Staff who can advance Crescent Lake's goals and objectives competently, who have capacity for growth and who will become a viable part of the Camp organization.

Staff Agreements -

Crescent Lake Bible Camp's formal offer of a job will be made by issuing a staff agreement form for applicants to sign. Included are the duties, dates of employment, salary, supervisor, and a statement for applicants to sign stating they have read and understand and agree to follow the job description, rules and regulations, personnel policies, and camp procedures.
